

Annex I: Workshop information

During the conference, 14 African-European workshops are offered by civil society partners from both continents.

They were developed independently by the respective civil society organisation (CSO) offering the workshop and are based on their own thematic priorities for the Africa-Europe partnership.

The objective for each workshop is to identify ideas on how civil society can contribute to the advancement of the Africa-Europe partnership in the respective policy field. Rather than formulating recommendations for policy makers, we want to develop innovative ideas for (digital) African-European civil society collaboration.

Ten workshops will be held in English, while four workshops will be realised in French.

Please select **one (1)** workshop from the list below for your participation. **Kindly note that** (for technical reasons) **physical participants can only attend the hybrid workshops.**

| Thematic areas | Organisation(s) offering the workshop | Hybrid/digital workshop | Language |
|----------------------|--|-------------------------|----------|

Kindly note that we will provide you with further updates on the workshops via e-mail.

The project "Towards an open, fair and sustainable Europe in the world – EU Presidency Project 2020-2022" is funded by the European Union and implemented by the Association of German Development and Humanitarian Aid NGOs (VENRO), the Portuguese Non-Governmental Development Organizations Platform (Plataforma Portuguesa das ONGD), the Slovenian NGO Platform for Development, Global Education and Humanitarian Aid (SLOGA), and the European NGO confederation for relief and development (CONCORD).

Annex II: Logistical information

This hybrid conference will take place both physically and virtually. As travel restrictions make cross-border travelling difficult, most international participants will join virtually, while other guests will participate physically.

The event will be held in English with translation into French during the panel sessions.

Note to virtual participants:

You will receive the dial-in details for the live stream in time before the conference via email.

Note to physical participants:

The conference venue is adapted to minimise the risk of Covid-19 infections with strict social distancing and hygiene measures applied during the event. Sanitisers and masks will be provided. Kindly note that a face mask must be worn whenever you are not seated.
